

Step In

Tauwhare School's Step In programme for pre-schoolers and their parents/caregivers is held regularly throughout the year.

All prospective 4 - 5 year olds are encouraged to come along to the new entrant room to join in on a typical morning in the classroom.

Parents will be able to see first hand the kind of topics Mrs G will be teaching their child once they enrol.

Sessions are held on Thursday mornings from 9am - 10.30 am. Dates are also advertised in 'The Transmitter' and the 'Eureka Express', as well as school newsletters.

You are also more than welcome to contact the school for further information and confirmation of session times.

Parents will be taken through the specific learning objectives.

These will include:

- ✓ listening at mat time
- ✓ observing and participating in a reading, writing or maths session.
- ✓ Parents will also have the opportunity, and are encouraged to ask questions.

Our goal is to give parents a better idea of how you can help to prepare your child for school, as well as having an understanding of what is likely to be taught at this level.

We look forward to working in partnership with you to do the very best for your child/ren.

Do come along!!!
