

Cross country

Go Kate! Go Kate! Screamed Mum, Aunty and Finn; cheering me on. Sadly Dad just could not come. I puffed and I puffed and I puffed! I definitely love the cross country at the Wilson's green, bumpy farm. I jogged past the big willow. I saw the finish line. I whispered really quietly to myself. "Go! Go! go!". I sprinted to the finish line.

My parents where still cheering me on. I improved from last year. I came 7th last year and I came 6th this year!

I had lots and lots of fun.
